- I. **PURPOSE:** This policy outlines the procedures whereby prehospital care providers accept a newborn under the California Safe Haven Law. This law as amended allows a person to surrender a minor child, less than 72 hours old to a person at any *designated* fire station, or emergency room without fear of arrest or prosecution, provided that the infant has not been abused or neglected. According to the law, “no person or entity that accepts a surrendered child shall be subject to civil, criminal, or administrative liability for accepting the child and caring for the child in the good faith belief that action is required or authorized by the bill, including but not limited to instances where the child is older than 72 hours or the person surrendering the child did not have lawful physical custody of the child”.
- II. **AUTHORITY:** 1797.220, 1798 Health & Safety Code; CCR Division 9 Chapter 4, 100175; Senate Bill 1368, Chapter 824, and Statutes of 2000; and Ventura County Board of Supervisor Resolution dated May 6, 2003.
- III. **POLICY:** Emergency Medical Services (EMS) personnel shall follow the procedures outlined in this document to ensure the surrendered infant is protected and medically cared for until delivered to the closest hospital emergency department.
- IV. **PROCEDURE:**
  - A. When an infant is surrendered to a fire station, the personnel shall notify their dispatch center of the situation.
  - B. The dispatch center will dispatch the closest paramedic transport unit.
  - C. Fire station personnel will assess the newborn and treat as needed.

This contains the Safe Haven medical questionnaire (English and Spanish version), an information sheet and a matching coded, confidential bracelet. Advise the surrendering party that provided that there has been no abuse or neglect, the parent may reclaim the infant within **14 days**, by taking the bracelet back to the hospital. Hospital personnel will provide information about the baby.
- H. Upon arrival of the transport paramedic unit, the fire station personnel will provide a copy of the written report and a verbal report of the infants' care and status.
- I. If the infant appears to be greater than 72 hours old, abused or neglected, accept the infant and provide medical treatment as necessary.
- J. The paramedic transport unit will initiate base station contact and begin transport to the closest appropriate hospital emergency department.
- K. The paramedic transport unit will initiate care and treat the infant as needed.
- L. The paramedic transport unit will complete a PCR via approved Ventura County Documentation System and will record the confidential coded ankle bracelet number.
- M. Upon arrival at the receiving emergency department, the transporting paramedic will provide a verbal and written report.
- N. Receiving hospital personnel will make verbal and written notification to the Ventura County HSA Department of Children and Family Services (DCFS).
