
Setting the Standard in Health Care Excellence

Dear Patient,

- If you do not have insurance, Medi-Cal or Medicare, you may qualify for our discounted rates. In order to determine your eligibility for a discount, we will need the following information:
 - ❑ A completed Discount Payment Policy application
 - Completed by financially responsible party
 - Essential living expenses
 - Family members and incomes in household
 - ❑ Documentation of family income shall be limited to recent pay stubs or tax returns.
 - ❑ The measure of the Federal Poverty level shall be made by reference to the most up to date Department of health Care Services poverty guidelines for the number of persons in the household.
 - ❑ Clinic or the Central Billing Office will determine which Self Pay Discount Program you are eligible for.
 - ❑ A discount card will be issued to you. This card will be valid for 12 months and grant you discounted rates on medical services with the VCHCA.

Please return the documentation items checked above to either to the clinic or to the Central Billing Office at:

VCHCA Central Billing Office
2323 Knoll Drive
Ventura, CA 93003

Questions and assistance with the form can be directed to the Self Pay Billing Office at (805) 648-9553 or your local VCMC clinic.

Sincerely,

Ventura County Medical Center and Affiliated Medical Clinics
