Hello VCHCC Members & Participants,

This message is intended for those who plan to participate in the 2019 Statewide Medical and Health Exercise (SWMHE).

We would like to thank all who participated in Wednesday's Initial Planning Meeting (IPM) webinar! We have already identified the source of our technical issues experienced at the beginning of the webinar and have discovered solutions to each so that our next webinar runs more smoothly.

The 2019 SWMHE in Ventura County website is now live! The exercise webpage can be accessed via the following link: <http://www.vchca.org/activities/2019fse>

The following documents are in their final review stage and will be published to the website in the near future. We will notify you via email when these documents are added to the webpage.

- Scenario
- Letter to Exercise Participating Sites
- IPM webinar recording
- IPM Q&A

As promised during the webinar, we will be sending a list of sites that have completed the Intent to Participate survey. This list will be updated and sent out every other Friday. Please find the most current update, attached to this email.

Happy Friday!
