Hello VCHCC Members & Participants,

This message is intended for those who plan to participate in the 2019 Statewide Medical and Health Exercise (SWMHE).

This is a friendly reminder that tomorrow's Master Scenario of Events List (MSEL) Meeting is attended by the SWMHE Design Team and the Stakeholder Liaisons. If you did not volunteer to be a Stakeholder Liaison, you do not need to attend tomorrow's meeting.

What is a Stakeholder Liaison?

Stakeholder Liaisons possess subject matter expertise on issues concerning their respective, discipline-types (e.g. hospitals, dialysis, hospice, surgical centers, etc.). Serving an advisory role to the exercise design team, the Stakeholder Liaisons provide insight on policies, procedures, and regulations specific to their discipline. First implemented in the 2018 exercise planning process, the Stakeholder Liaisons proved to be extremely beneficial. The input they provided allowed the design team to make the exercise more realistic and applicable to all disciplines that were represented by a Stakeholder Liaison.

If you haven't yet volunteered to be a Stakeholder Liaison, but would like to attend tomorrow's meeting to provide input into the MSEL, please email SWMHE@ventura.org so that we may provide you with the meeting location.

Thank you,

SWMHE Design Team
