

2019 FSE Roles

Media Personnel

Media Personnel visit or view selected segments of the FSE. Media Personnel do not play in the FSE, nor do they perform any control or evaluation functions. Media Personnel view the FSE from a designated observation area and must remain within the observation area during the FSE.

- Some media personnel may be present as observers, pending approval by the site Exercise Lead and PIO
- Sites with invited media personnel and/or observers should have them report to the Public Information Officer (PIO) or the Exercise Lead
- Media/Observers should be escorted to designated areas and accompanied by the PIO at all times
- Participants/Players should be advised of media and/or observers presence
- Media should not engage in personal conversations with players, controllers or evaluators
- All observers and media personnel **must** stay out of the FSE activity area, unless escorted into activity area by the PIO or Exercise Lead
- Media Personnel will be excused at the completion of the exercise play
