

2019 FSE Roles

Actor/Victim Volunteer

Actors/Victim Volunteers simulate specific roles during FSE play and typically portray victims, patients or other bystanders.

- Actors/Victim Volunteers are:
 - used in exercises and other types training, ranging from small-scale local drills to larger exercises
 - used to play hostages, witnesses, or patients
 - aid in making the exercise more realistic by providing the players with practice that is representative of a real disaster
- Volunteers will be provided with site specific instructions by the Exercise Lead, such as:
 - safety procedures and rules
 - advance notice to wear old, heavy clothes they don't mind getting dirty or ruined
 - waiver forms for signature, clearing liability for exercise planners and the facility/organization
