VENTURA COUNTY  
HEALTH CARE AGENCY

The CDC has approved the co-administration of flu and COVID-19 vaccines

*For the health and wellbeing of our community, it is suggested that all people over the age of 6 months receive the flu vaccine every year. Getting a flu vaccine this year may be more important than ever, not only to reduce your risk from flu but also to help conserve potentially scarce health care resources.*

*Our flu clinics will be a little different this year to support social distancing. When you arrive for your flu vaccine, please follow the signs or instructions posted for your safety. Additionally, to protect our staff please wear a mask. Please note some clinics require an appointment.*

*VCHCP, Gold Coast Health Plan, Valley Care, as well as contracted HMOs and PPOs, and Self-Pay Discount Program. Cost of vaccine ranges from \$0 to \$35 depending on type of vaccine, insurance, and qualifying programs. Clinics will run subject to availability of vaccine. For more information, please contact Ambulatory Care Administration (805) 677-5223.*

**The CDC has approved the co-administration of flu and COVID-19 vaccines**

*For the health and wellbeing of our community, it is suggested that all people over the age of 6 months receive the flu vaccine every year. Getting a flu vaccine this year may be more important than ever, not only to reduce your risk from flu but also to help conserve potentially scarce health care resources.*

*Our flu clinics will be a little different this year to support social distancing. When you arrive for your flu vaccine, please follow the signs or instructions posted for your safety. Additionally, to protect our staff please wear a mask. Please note some clinics require an appointment.*

*VCHCP, Gold Coast Health Plan, Valley Care, as well as contracted HMOs and PPOs, and Self-Pay Discount Program. Cost of vaccine ranges from \$0 to \$35 depending on type of vaccine, insurance, and qualifying programs. Clinics will run subject to availability of vaccine. For more information, please contact Ambulatory Care Administration (805) 677-5223.*

\*By Appointment Only

For more information visit: [www.vchca.org](http://www.vchca.org)

**The CDC has approved the co-administration of flu and COVID-19 vaccines**

*For the health and wellbeing of our community, it is suggested that all people over the age of 6 months receive the flu vaccine every year. Getting a flu vaccine this year may be more important than ever, not only to reduce your risk from flu but also to help conserve potentially scarce health care resources.*

VENTURA COUNTY  
HEALTH CARE AGENCY

*Our flu clinics will be a little different this year to support social distancing. When you arrive for your flu vaccine, please follow the signs or instructions posted for your safety. Additionally, to protect our staff please wear a mask. Please note some clinics require an appointment.*

*VCHCP, Gold Coast Health Plan, Valley Care, as well as contracted HMOs and PPOs, and Self-Pay Discount Program. Cost of vaccine ranges from \$0 to \$35 depending on type of vaccine, insurance, and qualifying programs. Clinics will run subject to availability of vaccine. For more information, please contact Ambulatory Care Administration (805) 677-5223.*
