## **All Services Are by Appointment ONLY**

Dear Paramedic Applicant;

To apply for accreditation, you must be employed by a Ventura County ALS provider and complete the accreditation internship process. The ALS provider will schedule an appointment for you to attend orientation with VCEMS. At time of orientation, you must have the following:

1. A completed background investigation completed via Live Scan. See DOJ Live Scan Instructions to retrieve the Request for Live Scan Form \*\*
2. Completed and signed EMS Personnel Application/Eligibility Statement
3. Current California Paramedic License
4. Current and valid government issued ID
5. Current and valid ACLS and PALS.
6. Accreditation fee of \$80; No Cash Accepted
7. Upon completion of internship, an appointment with VCEMS is necessary to complete accreditation process

**\*\* If at some point VCEMS issued your EMT certification, your live scan may still be on file and a second one may not be necessary.**
