Ventura County Emergency Medical Services Agency

Emergency Interfacility Stroke Transfers

Note: STROKE transfer added as of 1/11/2017

Emergency STROKE transfer from Emergency Departments:

(and no RN is required or the hospital is providing RN)

Please call Fire Communication Center (FCC) at 805-384-1500 and request a **Stroke** transfer. They will send the closest ALS ambulance to your hospital. They will likely arrive within 8 minutes, so be sure your patient is ready to go.

(RN is required for medication monitoring and hospital is NOT providing RN)

A Critical Care Transport (CCT) is needed:

Please call your facility designated ambulance provider and **request a CCT**. They will then arrange for a RN and an ambulance, which could take between 30-60 minutes or longer, so please call ASAP to start the process.
